## **Description:**

Long Island Towing knows that at some point, you might need to hire a towing company in Long Island. Maybe it will be because you are simply trying to get rid of a vehicle that is sitting, unused, on your property. Or perhaps it will be because you are out of gas, stuck on the side of the road. Regardless of your reason, we are here for you when you need roadside assistance or junk car removal. Long Island Towing professionals are dedicated to providing the best customer service, the best prices and the best results.

Provided are our most popular services, but rest assured, you can call us for other roadside assistance options like battery jumps and more. You can also trust that when we handle your vehicle, even if it is already in poor condition, we will handle it with care. We understand that cars do not come cheap, and we know that their parts are valuable. If you are looking to make the most money for a junk car, you should call us. And if you are looking to have a car that is in good condition transported because of a move, do not hesitate to call us for the task. We carefully load vehicles onto our flatbed tow truck and make sure that they are strapped down and secured prior to driving. We do things right!

Choose Long Island Towing if you are looking for a reliable local business that is available 24 hours a day, 7 days a week. We will not let you down. Get in touch with us to find out more about our handy services, today! Call now, (516) 218-7911!
